## STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 09/29/2022 while exercising my duties as a law enforcement officer in the \_\_\_\_\_ District of MT

Pursuant to 16USC 551: On September 29th 2022, at approximately 1415 hours, I, Forest Service Law Enforcement Officer Zachary Norris was on patrol within the Judith-Musselshell Ranger District on the Helena-Lewis and Clark National Forest in the Judicial District of Montana. I found Nathaniel ROGERS to be in violation of 36 CFR 261.58(a). On September 10th 2022, I observed a pickup camper in Bear Gulch on an illegal route beyond the 70 allowable feet on the Travel Management Plan in accordance with the Motor Vehicle Use Map(MVUM). The plate on the on the camper 2TRA2750 was invalid and registered to a semitrailer. The camp was unoccupied at the time. I visited the site again on September 29th 2022 with another Forest Service employee. Nathaniel ROGERS was in camp saddling up his horse. I spoke with the ROGERS and addressed the issues at hand. The camper belonged to his grandfather. The route ROGERS was camped on had already been established by other vehicles and was not signed appropriately as no longer allowed by wheeled vehicles. I issued Nathaniel ROGERS a violation notice pursuant to 36 CFR 261.58(a), camping too long in accordance with the Special Order. Longer than 16 days. I issued Nathaniel ROGERS a warning notice pursuant to 36 CFR 261.13, Operating a motor vehicle on National Forest System Lands in violation of the Helena-Lewis and Clark National Forest Travel Plan designated pursuant to 36 CFR 212.51 I issued Nathaniel ROGERS a warning notice pursuant to 36 CFR 261.54(d), in violation of state law in accordance with Montana Code Annotated 61-3-301- Registration, license plate required.
